Guidance Approach Teaching Practice. Early Learning and Development Center She has eyes in the back of her head. She does not have favorites or treat any children different than another, she does not label them. She works with children until they understand the information, even if her lunch break is needed.

Guidance Approach Teaching Practice - Prezi

A Guidance Approach for the Encouraging Classroom. Part 2 focuses on building and organizing an encouraging classroom, as well as providing key elements of an encouraging classroom, including daily schedule, routines, use of thematic instruction, importance of working with parents, and leadership communication.

A Guidance Approach for the Encouraging Classroom - Dan ...

The Guidance Approach. The teacher is a coach who teaches skills and helps children to negotiate prosocial behaviors as they live and work with others. When a child exhibits an unacceptable behavior, the teacher helps the child to think of alternative behaviors that could be substituted next time the situation arises.
