The formation of the past tense and past participle of strong verbs showed more variation in early modern English than today. There were a number of changes which began in Middle English and whose results have now been fossilized in present English but which produced a variety of forms in this period. These were:

Most of early Modern English is the same as Modern English." (David Crystal, Think on My Words: Exploring Shakespeare's Language. Cambridge University Press, 2008) Standardization of English "The early part of the modern English period saw the establishment of the standard written language that we know today. Its standardization was due first ...
