Purpose. To broaden students' awareness of technology by examining inventions of the past and present and by learning how inventions inspire and lead to the development of other inventions.

Technology: Past, Present, and Future - Science NetLinks

It is easier to determine what your invention will cost to produce than you might think. All you have to do is determine about what your invention is made of and what its complexity is, then go shopping to locate comparable products. If you divide their price by 5 you will have a rough idea of what it will cost you to have one of your product produced for you when thousands are being made.

Manufacturing Cost, STEP 3 - What will your invention cost ...
