D20 - Babylon 5 RPG - 1st Edition - Adventure - The Athena ...

"Babylon 5 is a fictional space station and the primary setting in the television series Babylon 5. Its design is a variation of an O'Neill cylinder. Babylon 5 was designed as the "last, best hope for peace". It was the last of five stations to be built, with its predecessors either being destroyed by terrorists, or, in the case of Babylon 4, vanishing without a trace.
