

Beyond The White Negro

Beyond The White Negro

The White Negro: Superficial Reflections on the Hipster, a 9,000-word essay by Norman Mailer, connects the "psychic havoc" wrought by the Holocaust and atomic bomb to the aftermath of slavery in America in the figuration of the Hipster, or the "white negro". It is a call to disassociate from Eisenhower liberalism and a numbing culture of conformity and psychoanalysis to embrace a rebellious ...

I liked the story as well—it is about an experiment conducted by a researcher. The point of the narrative is that despite all of the young man's qualities, accomplishments etc., it only took the police a few moments to establish his 'dangerousness' and instead of just taking him in for questioning him they beat him—there was and never is a need for that.

A spiritual is a type of religious folksong that is most closely associated with the enslavement of African people in the American South. The songs proliferated in the last few decades of the eighteenth century leading up to the abolishment of legalized slavery in the 1860s. The African American spiritual (also called the Negro Spiritual) constitutes one of the largest and most significant ...
