Eventbrite - GC Public Programs presents Comparing the Economic Sources of Inequality, Then and Now - Tuesday, April 9, 2019 at Elebash Recital Hall, The Graduate Center, New York, NY. Find event and ticket information.

Comparing the Economic Sources of Inequality, Then and Now

Is there such a thing as a perfect government? One "answer" was the utopian society established by the Shakers. In order to make their society perfect, the Shakers adhered to a strict policy of communal living, religious devotion, (pictured above in their distinctively animated form of worship) celibacy, rigorous labor, and equality.

Comparative Political and Economic Systems [ushistory.org]

An economic system (also economic order) is a system of production, resource allocation and distribution of goods and services within a society or a given geographic area. It includes the combination of the various institutions, agencies, entities, decision-making processes and patterns of consumption that comprise the economic structure of a given community.
