The Academy Award for Best Production Design recognizes achievement for art direction in film. The category's original name was Best Art Direction, but was changed to its current name in 2012 for the 85th Academy Awards. This change resulted from the Art Director's branch of the Academy of Motion Picture Arts and Sciences (AMPAS) being renamed the Designer's branch.

Stagecraft - Sound design: Prior to the 1930s, the manner in which sound in the theatre was produced had not changed for more than 2,000 years. Music was played by musicians present in the theatre. Sound effects were produced by people who mechanically created sounds during every performance of the show. In the 1930s, however, the recording industry expanded rapidly throughout the world.
