11 Emergency Room Stories That Are Almost Too Crazy to Be True. Nurses are known for being caring, empathic, organized, knowledgeable, and graceful under pressure, but let's face it: Emergency room nurses have the best—and often grossest—stories. Just check these out. (Word of caution: These aren't for the squeamish!)

Crazy Stories from Emergency Room Nurses | Reader's Digest

The story is still funny, it is painfully obvious that the person copied it off of the internet & it makes the many of the obviously real stories seem somewhat false by comparison. This isn't the only one in the book- there are several interspersed throughout the volume, some of which are ones that I've heard time & time again via various sources.

2 - The craziest stories are not fun. People dying because someone else beat them, stabbed them, shot them or (true story) threw them out of a moving car at 55 mph is not amusing or fun. It is the lowest side of humanity. 3 - For a middle class, suburban raised, public school and university educated kid, it was a valuable education.
