

Europe Low Cost Airlines

Europe Low Cost Airlines

One-way flights on low-cost airlines are generally just as affordable as round-trips. Consider linking a couple of cheap flights, either with the same or different airlines, to reach your destination. But leave plenty of time for connections — you're on your own if a delay on one airline causes you to miss your next flight on a different ...

Budget Flying Within Europe by Rick Steves

This article is a travel topic. This is one of several Wikitravel articles about Discount airlines.. Europe has a number of low cost airlines, some of the largest and most established being easyJet, Ryanair Norwegian and Wizz Air. These airlines have stirred up air travel within Europe by dramatically cutting fares.

Discount airlines in Europe - Wikitravel

A low-cost carrier or low-cost airline (also known as a no-frills, discount or budget carrier or airline) is an airline that offers generally low fares in exchange for eliminating many traditional passenger services. Regional airlines, which may compete with low-cost airlines on some routes, are listed at list of regional airlines

List of low-cost airlines - Wikipedia

Jet2 is the fourth largest airline in the UK and one of the cheapest low-cost airlines in Europe. It started off as a cargo service and gradually turned into a low-cost carrier throughout the year. Today, Jet2 serves more than 7 million passengers in 72 destinations and it even operates transatlantic flights.
