Kanzashi ( ) are hair ornaments used in traditional Japanese hairstyles. Some models may have been modified for self-defense. In the English-speaking world, the term "kanzashi" is sometimes applied to the folded cloth flowers that traditionally adorned tsumami kanzashi or to the technique used to make those flowers.

Your bundt cake is really beautiful, you did such an amazing job with the recipe! I've never used self rising flour, sounds interesting... And it was funny to read your article as well :) Unfortunately I guess I can't take part in the giveaway since I don't live in the US but I wish good luck to the happy winner!

Questo strato polveroso varia per conformazione e spessore a seconda dei differenti esemplari di piante che ne sono affetti. La conseguenza più evidente di questa malattia è l'indebolimento della pianta, causato in particolare perché questo strato scuro di polvere impedisce il normale apporto di luce solare e altre funzioni vitali, come la respirazione e la traspirazione fogliare.

### **Come curare la fumaggine e proteggere le piante ...**

Hi Jordan! I didn't mean to insinuate that you don't work hard to create original projects, sorry! In fact your blog is one of my dependable faves (along with Aunt Peaches) for amazing, original, jealousy-inducing project ideas and inspiration This just immediately made me think of an old post of hers, and rarely do I come across something on here that I feel I've seen before.
