Linguistics Gurt 1981*

Georgetown University Round Table On

The Linguistics Department at Georgetown is committed to analyzing a diversity of linguistic phenomena through different modes of inquiry. Our view of language as a cultural, social, and psychological phenomenon leads us to examine the dialectic between what is universal and what is particular and unique across languages.

Department of Linguistics | Georgetown University

Georgetown University is a private research university in the Georgetown neighborhood of Washington, D.C. Founded in 1789 as Georgetown College, the university has grown to comprise nine undergraduate and graduate schools, among which are the School of Foreign Service, School of Business, Medical School, and Law School. Located on a hill above the Potomac River, the school's main campus is ...
