The mission of NAEMT education is to improve patient care through high quality, cost effective, evidence-based education that strengthens and enhances the knowledge and skills of EMS practitioners.

Education Overview - NAEMT

End of Life Issues & Symptom Management. Issues relating to the end of life are often a part of caring for older patients in the ED. While there seems like a gulf between the skills of the palliative physician and the Emergency physician, work in the ED frequently requires knowledge of the basics of high-quality palliative care.
