Unless you're specifically training for powerlifting (and perhaps even then), add a chinning movement, or rowing movement. I've long advocated power lifting add a weighted chinning movement to the total, both for total strength development, and to give competitors an incentive to not get excessively fat.

Question: Hi Chad, I recently purchased Huge in a Hurry from Amazon, and think its a very well written book. I love the plans and how they're laid out in the book. I've been strength training for a few years, and have had decent trainers along the way, so I honestly feel like I have form pretty locked down.

The United States Football League (USFL) was an American football league that played for three seasons, 1983 through 1985. The league played a spring/summer schedule in each of its active seasons. The 1986 season was scheduled to be played in the autumn/winter, directly competing against the long-established National Football League (NFL). However, the USFL ceased operations before that season ...

Interviewing Principles . Reporters conduct two kinds of interviews: · News interview: The purpose is to gather information to explain an idea event or situation in the news. · Profile: The focus is on an individual. A news peg often is used to justify the profile. For effective interviews, reporters prepare carefully, and they ask questions that induce the source to talk freely. Questions ...
