How To Sex A Rabbit

A rabbit vibrator (also known as a Jack Rabbit vibrator or Jessica Rabbit vibrator) is a vibrating and rotating sex toy, usually made in the shape of a phallus with a clitoral stimulator attached to the shaft. However, the rabbit vibrator has evolved to reach a wider market, with many new introductions that do not take a phallic shape. The name of the device is derived from the fact that the ...

Terminology. Male rabbits are called bucks; females are called does. An older term for an adult rabbit is coney, while rabbit once referred only to the young animals. Another term for a young rabbit is bunny, though this term is often applied informally (especially by children) to rabbits generally, especially domestic ones. More recently, the term kit or kitten has been used to refer to a young ...
