Comparative literature is an academic field dealing with the study of literature and cultural expression across linguistic, national, and disciplinary boundaries. Comparative literature "performs a role similar to that of the study of international relations, but works with languages and artistic traditions, so as to understand cultures 'from the inside'".

Is there such a thing as a perfect government? One "answer" was the utopian society established by the Shakers. In order to make their society perfect, the Shakers adhered to a strict policy of communal living, religious devotion, (pictured above in their distinctively animated form of worship) celibacy, rigorous labor, and equality.

5e. The Internet in Politics. Not since television has an innovation had the potential to impact politics greater than the Internet. With more and more Americans getting wired, the ability to reach millions of voters will be a lure which no politician can resist.

### **The Internet in Politics [ushistory.org]**

vagueness. The characteristic of words or phrases whose meaning is not determined with precision. Use of one or more vague terms typically renders it impossible to establish the truth or falsity of the sentences in which they appear. Example: "The temperature is warm today." is difficult to evaluate because there is no clear borderline between "warm" and "not warm".
