10 Technology Disasters What do a 17th-century Swedish warship, an opulent Chicago theater and a Kansas City hotel “skyway” have in common?

10 Technology Disasters - MIT Technology Review

Peter Pan, his fellow characters, and the setting of Neverland have appeared in many works since the original books and play by J. M. Barrie. The earliest were the stage productions of the play, and an adaptation to silent film, done with Barrie's involvement and personal approval. Later works were authorised by Great Ormond Street Hospital, to which Barrie gave the rights to the Peter Pan works ...

List of works based on Peter Pan - Wikipedia

A major factor separating Middle English from Modern English is known as the Great Vowel Shift, a radical change in pronunciation during the 15th, 16th and 17th Century, as a result of which long vowel sounds began to be made higher and further forward in the mouth (short vowel sounds were largely unchanged).

The History of English - Early Modern English (c. 1500 - c ...

There are many examples of artificial intelligence being used today to enhance and improve our lives, but these are some of the most potent applications of A.I.

10 Powerful Examples Of Artificial Intelligence In Use Today

At one of FlashPoint's recent offerings of The Leadership Challenge® Workshop and Facilitator Training, a participant asked the following question during an activity: “Would you rather have \$20 or a penny that doubles each day for 30 days?”

Free Resources for Leaders from The Leadership Challenge

Welcome to our series on Functional Programming! Are you ready for some fun? So, yeah, I'm sure you've heard all the fuss about functional programming recently. People are talking and arguing about combinators and monads and monoids and all kinds of other words that sound like they came out of some mathematical laboratory.

Storytelling is one of the most powerful ways to breathe life into your brand and often called one of the main components of a content marketing approach. By giving your products and services an identity by capturing and sharing the stories they really are, you can take your target audience on a journey they yearn to experience.
