The New Living Translation (NLT) is a translation of the Bible into modern English. Originally starting out as an effort to revise The Living Bible, the project evolved into a new English translation from Hebrew and Greek texts. Some stylistic influences of The Living Bible remained in the first edition (1996), but these are less evident in the second and third editions (2004, 2007).

New Living Translation, second edition (2004) Mark R. Norton, ed., Holy Bible, New Living Translation. 2nd edition. Wheaton, Illinois: Tyndale House, 2004. This is a revision of the New Living Translation that was published by Tyndale House in 1996. A "Note to Readers" in the second edition explains that the main purpose of the revision was "increasing the level of the NLT's precision."
