Both the media and our political class make the most of it whenever a white man kills non-whites. Solitary killers, such as Dylann Roof, Anders Breivik, and more recently, Brenton Tarrant, are used to justify censorship, gun control, and political correctness. The Left also ensures that they become household names. Crimes committed by non-whites against whites are lightly reported and quickly ...

A one-hit wonder is any entity that achieves mainstream popularity, often for only one piece of work, and becomes known among the general public solely for that momentary success. The term is most commonly used in regard to music performers with only one top-20 hit single that overshadows their other work. Sometimes, artists dubbed "one-hit wonders" in a particular country have had great ...

After I wrote A Good Place to Work, people flooded me with feedback about one-on-ones. About half the responders chastised me, saying that one-on-ones were useless and that I shouldn't put so much emphasis on them. The other half wanted to know how to run more effective one-on-ones. It seems to ...

According to many commentators at the time, the 1870 Married Women's Property Act signaled the demise of coverture (also spelled "couverture"), the legal doctrine that made two people legally one upon marriage. As William Blackstone describes it in his Commentaries on the Laws of England (1756), coverture meant that "By marriage, the husband and wife are one person in law: that is, the ...
