Zoo, based on the #1 bestselling novel by James Patterson, is a global thriller about a wave of violent animal attacks against humans sweeping the planet. In season three, the year is 2027, and the world has reached a tipping point: as the human population continues to dwindle due to the sterility problem, an equally devastating threat rises in the form of "the hybrids," an army of unstoppable ...

Why Teach American Sign Language (ASL) to a Gorilla? American Sign Language (ASL) was selected by Dr. Penny Patterson as the primary language to teach Koko because of the success that other researchers had with chimpanzees.It turned out to be a good choice, as Koko (and later Michael) learned it quickly.

One of the most wonderful things about the new era of TV series is that there are so many great new shows that come out. One of the terrible things about it is that shows often end up being canceled before they complete their story arcs, sometimes even ending on a cliffhanger that is never resolved.
