Pediatric Tricky Topics Volume 1

Pediatric DKA was identified as one of key diagnoses that we need to get better at managing in a massive national needs assessment conducted by the fine folks at TREKK - Translating Emergency Knowledge for Kids - one of EM Cases' partners who's mission is to improve the care of children in non-pediatric emergency departments across the country.

Amazon is reportedly in talks to offer a free, ad-supported tier of its music service, according to a report from Billboard. Although there aren't details about whether it will be more radio-like or on-demand, Billboard suggests this new free service will emphasize Amazon as a direct competitor to market leader Spotify. Amazon plans to market the new option through its Echo speakers, and ...

About this event: As the leaves begin to turn this fall, the speakers for our second annual Sun Valley TEDx event will be sharing "ideas worth spreading" that span a wide range of topics, but with a common theme. Sometimes as individuals or as a society we stumble. But in some cases our falls can be the catalyst for a new idea that makes the world a better place...

Talking. Talking and understanding speech go hand in hand. By listening to others, your child learns what words sound like and how to put a sentence together. As a baby, she discovered first how to make sounds, then how to make those sounds into real words ("mama" and "dada" may have slipped out as early as 4 or 5 months).
