

Post Communist Transition And Women S Agency In Eastern Europe

Post Communist Transition And Women

This article examines gender, work and equal opportunities (EO) in five central eastern European (CEE) candidates to an enlarged European Union (EU): the Czech Republic, Hungary, Poland, Slovenia and Slovakia. It demonstrates how capitalist transition has eroded women's Communist economic and social legacy, and considers implications for EO of the EU enlargement process.

Women, Work and Equal Opportunities in Post-Communist ...

In the countries of post-communism transition there are many similarities in the situation of women, despite the fact that these countries have different historical, economic and religious backgrounds and that their totalitarian regimes were also radically different. The states of the so-called ...

Women, Work and Equal Opportunities in Post-Communist ...

The post-communist transition Despite the contradictions of communist era -testified by UN data and the GDI 6- women under the socialism enjoyed some significant gender equality advantages compared to women in Western industrialized countries. The GDI places post-communist countries very close to most advanced Nordic countries.

The impact of post-communist transition on gender equality ...

Gradually, it was accepted by scholars that many post-communist states inherited weak states and institutions, thereby adding a third factor to the transition process of stateness. This 'triple transition' has been largely accepted as sufficient to understand post-communist transitions and, in some cases, includes nationality questions.

Transition in Post-Communist States: Triple or Quadruple ...

I read many reviews about Post-Communist Transition and Women's Agency in Eastern Europe By Cynthia Simmons before purchasing it in order to gage whether or not it would be worth my time, and all praised Post-CommunistTransition and Women's Agency in Eastern Europe, declaring it one of the best , something that all readers will enjoy.To ...

Ebook Download Post-Communist Transition and Women's ...

The situation for women in societies caught up in the post-'89 transition is complicated, writes Slavenka Drakulic. On the one hand, they now stand to lose rights that were, at least formally, established during the communist regime. On the other, women's position in society has been undermined everywhere in Europe - in East and West alike.

How women survived post-communism (and didn't laugh ...

Approaches that suggested some sort of teleology to the post-communist transition process (e.g.,

“transition to democracy”) have, over time, given way to those that emphasize indeterminacy and the range of outcomes observable throughout post-communist Europe.

Regime Transitions and Variation in Post-Communist Europe

EXPLAINING GENDER DIFFERENCES IN UNEMPLOYMENT WITH MICRO DATA ON FLOWS IN POST-COMMUNIST ECONOMIES 1. Introduction The process of transition from centrally planned to market economies has required tremendous adjustment in the labor markets of Central and Eastern Europe (CEE) and the former Soviet Union (FSU).

Explaining Gender Differences in Unemployment with Micro ...

Post-communism is the period of political and economic transformation or "transition" in former communist states located in parts of Europe and Asia in which new governments aimed to create free market-oriented capitalist economies.

Post-communism - Wikipedia

Communism has remained in China, Laos, North Korea, Vietnam, and Cuba, and the legacies of communism and the Cold War are still significant today. The Transformation of Economic Institutions; For former communist countries, postcommunist transitions involve the establishment of private property and free markets.

Chapter 9: Communism And Postcommunism | Essentials of ...

There was, therefore, improvement in income conditions even in most of those post-communist countries that did not converge during the past 25 years. The key exceptions are Georgia, Ukraine and Tajikistan, where the absolute level of real GDP per capita is still well below pre-transition values, and Montenegro, Moldova and Serbia, where GDP per ...

Why post-communist convergence is only half done | World ...

We do Women in the Transition to Democracy 855, agree with this evaluation in the sense that women in this contemporary transient phase of transformation of the society are not concerned, either about the change of women's self image, or about acquiring positions in the newly-formed hierarchical structure of society, since the actual situation ...
