New Funko Pop! figures from Deadpool 2 have been revealed, including one of the title character dressed up as Bob Ross. Promotion for the sequel has been appropriately bizarre at times, with uniquely zany viral marketing campaigns building more anticipation for it while revealing very little in the way of details.

Immanuel Kant (1724-1804) Kant's most original contribution to philosophy is his "Copernican Revolution," that, as he puts it, it is the representation that makes the object possible rather than the object that makes the representation possible [§14, A92/B124, note]. This introduced the human mind as an active originator of experience rather than just a passive recipient of perception.
