Presentations look across the American Memory collections to investigate curricular themes. They include historical background, helping to tell the story behind the theme. Activities offer an interactive, "hands on" experience and focus on a specific topic, rather than broad themes. They require teacher direction, but invite students to participate.

Plymouth Colony (sometimes New Plymouth) was an English colonial venture in North America from 1620 to 1691 at a location that had previously been surveyed and named by Captain John Smith. The settlement served as the capital of the colony and developed as the town of Plymouth, Massachusetts. At its height, Plymouth Colony occupied most of the southeastern portion of Massachusetts.

2015 marked the 60 th Anniversary of Roger Tory Peterson’s book Wild America in which he and his close friend British naturalist James Fisher showed us that nature is everywhere – if you know when, where and how to look and listen. Last year also saw the start of RTPI’s Project Wild America intent on continuing that work. Various programs are currently under way in 2017 as part of ...
