The focus of Worldwide Marriage Encounter is on communication between a husband and wife. These marriage seminars are an opportunity to spend time away from the distractions and tensions of everyday life, concentrating on each other as a couple.

### **Marriage Encounter | Engaged Encounter United Methodist Home**

The story of Marriage Encounter began in 1952 when a young priest in Spain, Father Gabriel Calvo, began developing a series of conferences for married couples, whose focus was on the development of an open and honest relationship within marriage and learning to live out a sacramental relationship in the service of others.
