Paul Farmer was born in West Adams, in Western Massachusetts, the second of six children. When he was seven years old, his father, a salesman and high school math teacher, moved the family to Birmingham, Alabama, and five years later, to Brooksville, Florida, a small town north of Tampa, inland from the Gulf of Mexico.

The yeomen farmer who owned his own modest farm and worked it primarily with family labor remains the embodiment of the ideal American: honest, virtuous, hardworking, and independent. These same values made yeomen farmers central to the republican vision of the new nation. Because family farmers didn't exploit large numbers of other laborers and because they owned their own property, they were ...

Abraham Lincoln was a member of the Whig Party and later a Republican. He believed that the government's job was to do what a community of people could not do for themselves. One of his greatest preoccupations as a political thinker was the issue of self-governance and the promise and problems that could arise from it.
