The Middle East conflict is framed as one of the most complex problems in the world. But, in reality, it's very simple. Israelis want to live in peace and are willing to accept a neighboring Palestinian state. And most Palestinians do not want Israel to exist. As Dennis Prager explains, this is really all you need to know. In 5 minutes, understand how Israel was founded, and how, since that ...

Invasion literature (also the invasion novel) is a literary genre that was popular in the period between 1871 and the First World War (1914–1918). The invasion novel first was recognized as a literary genre in Britain, with the novella *The Battle of Dorking: Reminiscences of a Volunteer* (1871), an account of the Imperial German invasion of England, which, in the Western world, aroused the ...
