In Scottish folklore, the Loch Ness Monster or Nessie is a creature said to inhabit Loch Ness in the Scottish Highlands. It is often described as large in size with a long neck and one or more humps protruding from the water. Popular interest and belief in the creature has varied since it was brought to worldwide attention in 1933.

We made five bright and colourful, silly, friendly looking monster puppets for Noah to play with. I enlisted the help of the big kids and big brother drew a fun backdrop for the puppet play, and the big sisters came up with a story that showed the monsters being funny and doing normal every day, not scary, things.

These monsters are badass! Not only their stats are strong but also their "special attacks" are really good too! Ultimately, they are component for breeding legendary monsters. Due to their preciousness, Epic monsters mostly cannot be bred normally by using 2 elemental monsters. The requirement of breeding Epic monster is using both uncommon/rare monsters (any 2-element monster).

A Monster Calls is a low fantasy novel written for children and adults by Patrick Ness, from an original idea by Siobhan Dowd, illustrated by Jim Kay and published by Walker in 2011. Set in present-day England, it features a boy who struggles to cope with the consequences about his mother's illness. He is repeatedly visited in the middle of the night by a monster who tells stories.

The Seiko Monster might be one of the most polarizing dive watches ever released.. The love-it or hate-it design has camps firmly entrenched on either side, with dedicated followers declaring their love for the quality and value, while detractors scratch their heads at the aggressive and somewhat ugly overall design.. Both sides have a point - the Seiko Monster is no beauty queen.
