### **Postmedia Solutions**

Seeing as this is an English 101 course, the second aim will be to develop skills necessary for students to be effective readers and writers. The cultivation of these abilities will not only aid students in their exploration of violence in literature, but in any other analytical work they may need to do in the future.

Climate change in Australia has been a critical issue since the beginning of the 21st century. In 2013, the CSIRO released a report stating that Australia is becoming hotter, and that it will experience more extreme heat and longer fire seasons because of climate change. In 2014, the Bureau of Meteorology released a report on the state of Australia's climate that highlighted several key points ...
