Vatican City Travel Guide | National Geographic

It might only cover about half a square kilometre, but the Vatican looks every inch a religious superpower. Its holy buildings are monumental in scale and its lavishly-decorated halls house some of the world's most celebrated artworks. Follow our day-long tour to make sure you don't miss out on any of its spectacular highlights.

A DIY day tour of the Vatican - Lonely Planet

The guide was very knowledgeable and the Vatican was just...stunning. I was so glad that we had decided to take an English guided tour. Although there are English explanation throughout the property, walking through the vast space while reading all the materials takes too much time.
