Italian Girl Tries Bottle After Visiting Supermarket

Here's what happens when you "shop local." 1. More of your money will be kept in your local economy For every \$100 you spend at locally owned businesses, \$68 will stay in the community. What happens when you spend that same \$100 at a national chain? Only \$43 stays in the community.* 2. You embrace what makes your community unique You wouldn't want your house to look like everyone else ...
